130TH LEGISLATURE
FIRST SPECIAL SESSION

COMMITTEE AMENDMENT "A" to S.P. 469, L.D. 1419, "An Act To Support Health Care Providers during State Public Health Emergencies"

Amend the bill by striking out all of section 1 and inserting the following:

Sec. 1. 24 MRSA §2904-A is enacted to read:

§2904-A. Maine Public Health Emergency Health Care Response Liability Act

1. Short title. This section may be referred to as "the Maine Public Health Emergency Health Care Response Liability Act."

2. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Assisted housing program" means an assisted housing program licensed pursuant to Title 22, chapter 1663 or 1664.

B. "Behavioral and developmental services facility" means an agency or facility providing services for children or adults with intellectual or developmental disabilities or autism governed by Title 34-B, chapters 5 and 6.

C. "Covered person or entity" means an assisted housing program, behavioral and developmental services facility, dentist, emergency medical services person, health care facility, health care professional, home health care provider, hospice program or hospice provider, laboratory and pharmacist.

D. L. "Pharmacist" means an individual licensed pursuant to Title 32, chapter 117 to engage in the practice of pharmacy.

3. Limitation on civil liability upon proclamation of civil emergency related to public health. Except as provided in subsection 4, a covered person or entity is not liable for an injury or death arising from the delivery, cancellation, rescheduling, delay or withholding of a health care service during a declared emergency when:

A. The declared emergency or conditions necessitating the declared emergency prevented a covered person or entity from providing the level or manner of care that otherwise would have been reasonable in the absence of the declared emergency or conditions necessitating the declared emergency; and

B. The health care service was within the scope of the license, registration, certification or other documented qualification of the covered person or entity.

4. Exception. Subsection 3 does not apply if the injury or death was caused by an act or omission constituting willful, wanton or reckless conduct or by gross negligence of the covered person or entity.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment adds a definition of "declared emergency" and exempts covered persons and entities from liability related to the delivery, cancellation, rescheduling, delay or withholding of health care services during a declared emergency if the declared emergency or conditions necessitating the declared emergency prevented a covered person or entity from providing the level or manner of care that otherwise would have been
