7 **Sec. 2. 20-A MRSA §1001, sub-§9**, as amended by PL 2017, c. 407, Pt. A, §57, is
8 further amended by amending the first blocked paragraph to read:

32 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
33 number to read consecutively.

34 **SUMMARY**

35 This amendment replaces the bill. The amendment aligns language across several
36 provisions of law governing student discipline. It adds a reference to school board
37 disciplinary policies in the language describing due process for expulsion, provides school
38 boards with increased flexibility to allow superintendents and principals to consider
39 alternatives to expulsion of a student and provides that these alternatives must be in writing.
40 It adds reference to restorative interventions to the language describing the requirement to
41 develop an individualized response plan to avoid dangerous student behavior after the
42 substantiated report of an incident of dangerous behavior.
