1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 20-A MRSA §1001, sub-§8-A, ¶D** is enacted to read:

3 D. The school board shall incorporate into the due process standards under this  
4 subsection policies adopted under subsection 15-A or, if no policies have been adopted,  
5 standards consistent with the criteria listed under subsection 15-A, and these policies  
6 or standards must be complied with before the school board may issue a written  
7 decision to expel a student, including an expulsion under subsection 9 or subsection  
8 9-A.

9 **SUMMARY**

10 This bill requires that a school board incorporate disciplinary policies into its due  
11 process standards for determining whether to expel a student. A school board is required  
12 to consider the following:

13 1. Focusing on positive interventions and expectations and avoiding focusing  
14 exclusively on unacceptable student behavior;

15 2. Focusing on positive and restorative interventions that are consistent with evidence-  
16 based practices rather than set punishments for specific behavior and avoiding so-called  
17 zero-tolerance practices unless specifically required by federal or state laws, rules or  
18 regulations;

19 3. Allowing administrators to use their discretion to fashion appropriate discipline that  
20 examines the circumstances pertinent to the case at hand; and

21 4. Providing written notice to the parents of a student when the student is suspended  
22 from school, regardless of whether the suspension is an in-school or out-of-school  
23 suspension.
