Correctional and Judicial Impact Statements

The additional workload associated with the minimal number of new cases filed in the court system does not require additional funding at this time.

The collection of additional fine and/or fee revenue will increase General Fund and dedicated revenue by minor amounts.

Fiscal Detail and Notes

The bill prohibits the sale and distribution of flavored tobacco products and would reduce General Fund revenue by \$15,234,363 in fiscal year 2021-22 and \$22,886,878 in fiscal year 2022-23. It also reduces Local Government Fund revenue by \$100,027 in fiscal year 2021-22 and \$150,697 in fiscal year 2022-23.

Any additional costs to the Department of Health and Human Services from the provisions of this bill are expected to be minor and can be absorbed within existing budgeted resources.
