SUMMARY

This resolve authorizes the State to convey to the Passamaquoddy Tribe a certain parcel of land located on the northern side of State Route 191 in Meddybemps, Washington County, which is a portion of a site known as the Eastern Surplus Company Superfund site that has been designated a Superfund site due to the presence of hazardous substances, materials or wastes.

This resolve allows the Passamaquoddy Tribe to take ownership of the land without assuming liability for historical contamination that the tribe did not cause and permits continued access to the land by the State and the United States to address remaining and future contamination at this or nearby lands.
