Clerk

Presented by Representative MEYER of Eliot.

1 **Emergency preamble.** Whereas, acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** the Department of Health and Human Services does not currently propose
4 or require specialized reimbursement rates, also known as behavior add-ons, to providers
5 of positive behavioral support and behavior management services to persons with
6 intellectual disabilities or autism experiencing a personal crisis that could lead to the loss
7 of their home, program or employment; and

8 **Whereas,** providers of positive behavioral support and behavior management services
9 to persons with intellectual disabilities or autism are unable to manage situations that
10 involve specialized training because the reimbursement rates are insufficient to provide the
11 services; and

12 **Whereas,** unresolved crisis situations for persons with intellectual disabilities or
13 autism currently result in more traumatic and expensive outcomes and will continue if
14 specialized reimbursement rates are not immediately established and funded; and

15 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
16 the meaning of the Constitution of Maine and require the following legislation as
17 immediately necessary for the preservation of the public peace, health and safety; now,
18 therefore,

19 **Be it enacted by the People of the State of Maine as follows:**

20 **Sec. 1. 34-B MRSA §5440** is enacted to read:

28 to implement this section. Rules adopted pursuant to this section are major substantive
29 rules as defined in Title 5, chapter 375, subchapter 2-A.
