Fiscal Detail and Notes

This amendment adds an implementation date of January 1, 2023 for the changed definition of "waste generated within the State". Delaying the start date will restore half of the Other Special Revenue Funds revenue loss reflected in Committee "A" in fiscal year 2022-23 and the allocation for that amount is restored as well. As amended, the bill will still reduce Other Special Revenue Funds by \$187,500 in fiscal year 2022-23 and continue to reduce by \$375,000 in subsequent years.
