32 This amendment replaces the bill. The amendment requires health insurance policies
33 that offer coverage for a dependent child to offer coverage for adults with disabilities who
34 are unable to sustain themselves through employment in the same manner as for a
35 dependent child on a parent's policy. The amendment clarifies that an insurer is required
36 to offer coverage for a dependent child with a disability, at the option of the policyholder,
37 regardless of age. The amendment also clarifies the definition of "disability" to include a
38 mental disability.

39 The amendment removes the emergency preamble and emergency clause from the bill.
