Reproduced and distributed under the direction of the Clerk of the House.

STATE OF MAINE
HOUSE OF REPRESENTATIVES
130TH LEGISLATURE
SECOND REGULAR SESSION

COMMITTEE AMENDMENT "B" to H.P. 1414, L.D. 1908, "An Act To Limit Eligibility for Commercial Menhaden Fishing Licenses"

Amend the bill by striking out everything after the enacting clause and inserting the following:

Sec. 1. 12 MRSA §6502-C, sub-§1-A is enacted to read:

1-A. Commercial menhaden fishing license eligibility in 2023. The commissioner may not issue a 2023 resident commercial menhaden fishing license or a 2023 nonresident commercial menhaden fishing license to an individual unless that individual:

A. Possessed a license to fish for menhaden in 2020 or 2021; and

B. According to department records, reported legal landings of menhaden of 6,000 pounds or more in 2020 or 2021.

Documentation, acceptable to the department, showing the landing requirement in this paragraph has been met must have been submitted to the department by January 31, 2022.

Sec. 2. 12 MRSA §6502-C, sub-§1-B is enacted to read:

1-B. Commercial menhaden fishing license eligibility after 2023. The commissioner may not issue a resident commercial menhaden fishing license or a nonresident commercial menhaden fishing license to an individual in any year subsequent to 2023 unless that individual possessed that license in the previous calendar year.

Sec. 3. Report. By January 15, 2023, the Commissioner of Marine Resources shall submit a report to the joint standing committee of the Legislature having jurisdiction over marine resources matters with details on the implementation of the Maine Revised Statutes, Title 12, section 6502-C, subsections 1-A and 1-B. The committee has the authority to report out a bill to the 131st Legislature in 2023 based on the report.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment, which is the minority report of the committee, changes the requirements for a 2023 commercial menhaden fishing license. An individual may obtain a license if the individual possessed a menhaden license in 2020 or 2021 and reported legal landings to the Department of Marine Resources, by January 31, 2022, of 6,000 pounds or more in 2020 or 2021. It also requires the department to report to the joint standing committee of the Legislature having jurisdiction over marine resources matters by January 15, 2023 and gives the committee the authority to report out a bill to the Legislature based on the report.

Fiscal Detail and Notes

This bill changes the commercial menhaden fishing license requirements beginning in 2023. Under the current criteria, there are no pre-qualifications to obtain a commercial menhaden license. The new criteria will limit who may obtain a license to those who possessed a commercial menhaden license in either 2020 or 2021 and reported legal landings by January 1, 2023 of 6,000 pounds or more in either 2020 or 2021. The Department of Marine Resources does not anticipate a significant change in license revenue from imposing new license qualifications because even though fewer will be eligible, a higher percentage of those individuals will be motivated to maintain their eligibility in the future.
