Fiscal Detail and Notes

This amendment eliminates the ongoing General Fund appropriations in the bill of \$340,000 per year beginning in fiscal year 2022-23 to the University of Maine System to establish a rural practice clinic in Aroostook County as part of a 3-year pilot program.

As amended, this bill still requires the University of Maine System to establish a rural practice clinic in Aroostook County as a 3-year pilot project of the existing legal aid clinic at the University of Maine School of Law. Funding for the first 2 years of the pilot project will be provided by a payment of \$680,000 to the University of Maine System from the funds received by the Office of the Attorney General for antitrust enforcement and enforcement of the Unfair Trade Practices Act.
