authority from any source for the development and implementation of improved storage, packing and marketing and programs and activities that improve the economic viability of the potato industry must be credited to the fund. Any money credited to the fund from the issuance of bonds on behalf of the State for agricultural development may be used only for the purposes of state loans as prescribed by Title 7, section 974-A to provide assistance to potato farmers for the design, construction, improvement, support and operation of storage, packing and marketing facilities; for programs and activities that improve the economic viability of the potato industry; and to pay the administrative costs of processing loan applications and servicing and administering the fund and loans and grants made therein, to the extent that the costs exceed the fee for administrative costs established by Title 7, section 974-A, subsection 2-A. At the discretion of the Commissioner of Agriculture, Conservation and Forestry, the authority shall make payments directly to the board, which shall use those payments to implement the requirements of this section. During any period that the commissioner has authorized direct payments from the authority to the board, the authority shall make written annual reports to the commissioner and the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters detailing the amounts of payments to the board and the dates payments were made and detailing the expenditure of those payments. Repayment of the loans and interest on the loans must be credited to the fund to be available for making additional state loans for the same purposes, except that any interest earned on the cash balance of the fund may be used for the grants authorized by Title 7, section 975-A. In order to provide additional amounts for loans, the commissioner, upon consultation with the board, may take such actions and enter into such agreements as may be necessary to sell or assign up to \$2,000,000 in the aggregate principal amount of loans and undivided interests in a pool of loans and assign or pledge any mortgage or other security to the authority, under the terms and conditions the commissioner considers advisable upon consultation with the board. The assignment and related transactions may not result in indebtedness of the State. The proceeds of the sale or assignment must be credited to the fund and used for the purposes authorized in this section.

Fiscal Detail and Notes

This bill deallocates Other Special Revenue Funds of \$500 in fiscal year 2022-23 to the Commission to End Student Hunger program within the Department of Education in order to eliminate the annual base allocation that had been provided beginning in fiscal year 2015-16 to authorize expenditures in the event that outside funding was received to support the work of the commission. According to the State's accounting system, no outside contributions have been received to date.
