STATE OF MAINE

SENATE

131ST LEGISLATURE

SECOND REGULAR SESSION

COMMITTEE AMENDMENT "A" to S.P. 32, L.D. 40, "An Act to Amend the Cannabis Laws"

Amend the bill by striking out the title and substituting the following:

'An Act to Protect Liberty and Advance Justice in the Administration and Enforcement of the Cannabis Legalization Act and the Maine Medical Use of Cannabis Act'

Amend the bill by inserting after the title and before the enacting clause the following:

'Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the definitions in the Maine Medical Use of Cannabis Act need to be clarified and alphabetized as the first step in reorganizing and recodifying the Maine Medical Use of Cannabis Act in order to make the medical use of cannabis program more just, understandable and accessible to the regulated community, the regulators, Legislators, other interested parties and the general public, as reported by the 2023 Joint Standing Committee on Veterans and Legal Affairs Subcommittee to Consider Non-substantive Changes to the Maine Medical Use of Cannabis Act; and

Whereas, the Cannabis Legalization Act requires substantive changes to address statutory reforms that allow licensees to operate more efficiently; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,'

Amend the bill by striking out everything after the enacting clause and inserting the following:
