HEALTH AND HUMAN SERVICES

Reproduced and distributed under the direction of the Clerk of the House

STATE OF MAINE

HOUSE OF REPRESENTATIVES

131ST LEGISLATURE

FIRST SPECIAL SESSION

COMMITTEE AMENDMENT "A" to H P 103, L D 162, "An Act to Establish a Substance Use Disorder Hotline and Consultation and Clinical Supervision Program"

Amend the bill by striking out the title and substituting the following

'Resolve, to Study the Establishment of a Substance Use Disorder Hotline'

Amend the bill by striking out everything after the title and inserting the following

'Sec. 1. Department of Health and Human Services to study substance use disorder hotline. Resolved: That the Department of Health and Human Services shall develop a plan to implement a hotline through the Maine Substance Use Disorders Learning Community organization to assist and provide guidance to primary care physicians and other providers in providing care to patients with substance use disorder. The department shall consult with stakeholders, including members of the Co-Occurring Collaborative Serving Maine currently partnering with the department to operate the Maine Substance Use Disorders Learning Community. The department shall study existing models of substance use disorder hotlines in other states, including Wisconsin and Massachusetts, to inform plan development. The plan must determine the level of funding that would be required to sustainably operate a hotline, the services that would be available to physicians and providers by the hotline, requirements for consistent staffing, hours of operation, response times and any other relevant information needed for successfully implementing a hotline through the Maine Substance Use Disorders Learning Community. The department shall submit a report with the plan, including any necessary legislation and appropriations, to the Joint Standing Committee on Health and Human Services no later than January 15, 2024. The committee is authorized to report out legislation related to the report to the Second Regular Session of the 131st Legislature.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively

SUMMARY

This amendment replaces the bill with a resolve. It requires the Department of Health and Human Services to develop a plan to implement a hotline through the Maine Substance Use Disorders Learning Community to assist and provide guidance to primary care physicians and other providers in providing care to patients with substance use disorder. The department is required to consult with stakeholders, including members of the Co-Occurring Collaborative Serving Maine currently partnering with the department to operate the Maine Substance Use Disorders Learning Community, and to study existing models in other states. The department is required to submit a report and plan to the Joint Standing Committee on Health and Human Services no later than January 15, 2024. The plan must include funding requirements, services that would be provided, hours of operation, response times and any other relevant information to implement a hotline.
