## Fiscal Note

Delay in transfers to and from the General Fund  
Delay in availability of General Fund appropriations

### Fiscal Detail and Notes

Removing the emergency preamble will delay the availability of funding provided in the bill for fiscal year 2023 but will not affect overall funding levels provided for each year of the biennium. Removing the emergency preamble will delay but not preclude the State Controller from making the proposed fiscal year 2022-23 transfers included in the bill because Part MMMMM of the bill authorizes the State Controller to keep open the official system of general accounts of State Government for fiscal year 2022-23 in order to make post closing entries and adjustments to carry out the provisions of the bill.
