5	STATE OF MAINE
6	HOUSE OF REPRESENTATIVES
7	131ST LEGISLATURE
8	FIRST SPECIAL SESSION
9 10	COMMITTEE AMENDMENT "A" to HP 247, LD 396, "An Act to Preserve the 207 Area Code and Impede So-called Robocalling"
11 12	Amend the bill by striking out everything after the enacting clause and inserting the following
13	'Sec. 1. 35-A MRSA §7104, sub-§1-A is enacted to read
14 15	1-A. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings
16 17 18	A "North American Numbering Plan Administrator" means a North American organization responsible for neutrally administering numbering resources in a Maine numbering plan area
19	B "Number placed in service" means an active 10-digit telephone number that is
20 21	(1) Compliant with the guidelines established by the North American Numbering Plan Administrator for use by a voice network service provider.
22 23	(2) Has been assigned to an end user customer of the voice network service provider, and
24 25	(3) Is capable of receiving voice traffic from, or originating voice traffic to, the public switched telephone network
26 27	C "Numbering plan area" has the same meaning as in 47 Code of Federal Regulations, Section 52 7(a) in effect on December 16, 2022
28 29 30	D "Numbering resources" means blocks of telephone numbers provided to authorized voice network service providers in a numbering plan area by the North American Numbering Plan Administrator
31 32 33	E "Voice network service provider" means a voice service provider that offers its subscribers the means to initiate or receive voice communications using the public switched telephone network and includes a provider of interconnected voice over

<u>Internet protocol service required to register with the commission pursuant to section</u> 7110, subsection 2

- Sec. 2. 35-A MRSA §7104, sub-§3, as amended by PL 2017, c 422, §§2 to 4 and affected by §12, is further amended to read
- 3. Authority. The commission shall adopt rules to implement this section and may require voice network service providers using numbers placed in service for the State's numbering plan area from the North American Numbering Plan Administrator or its successor to contribute to a state universal service fund to support programs consistent with the goals of applicable provisions of this Title and the federal Telecommunications Act of 1996, Public Law 104-104, 110 Stat 56 A voice network service provider is not required to contribute to the state universal service fund for telephone numbers that are acquired by the provider but are not placed in service Prior to requiring that voice network service providers contribute to a state universal service fund, the commission shall assess the telecommunications needs of the State's consumers and establish the level of support required to meet those needs If the commission establishes a state universal service fund pursuant to this section, the commission shall contract with an appropriate independent fiscal agent that is not a state entity to serve as administrator of the state universal service fund Funds contributed to a state universal service fund are not state funds Rules and any state universal service fund requirements established by the commission pursuant to this section must
 - A Be reasonably designed to maximize federal assistance available to the State for universal service purposes,
 - B Meet the State's obligations under the federal Telecommunications Act of 1996, Public Law 104-104, 110 Stat 56,
 - C Be consistent with the goals of the federal Telecommunications Act of 1996, Public Law 104-104, 110 Stat 56,
 - D Ensure that any requirements regarding contributions to a state universal service fund be nondiscriminatory and competitively neutral,
 - G Require, if a voice network service provider recovers its contributions under this section by means of a charge placed on a bill issued to a customer, explicit identification on that bill of any charge imposed under this section, and
 - H Ensure that any fees or surcharges established by or pursuant to this section are not imposed on revenues received from or on prepaid wireless telecommunications service transactions supported by federal universal service support funds pursuant to 47 Code of Federal Regulations, Part 54 This paragraph does not prohibit the imposition of fees or surcharges with respect to revenues received from consumers for optional services that are not supported by federal universal service support funds
- For purposes of this section, "voice network service provider" means a voice service provider that offers its subscribers the means to initiate or receive voice communications using the public switched telephone network. Rules adopted under this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A The commission may investigate a voice network service provider to ensure compliance with this section

Sec. 3. 35-A M	RSA §7104-B, sub-§1	, as amended by PL	2011, c 62	23, Pt B, §	§§18
and 19, is further am	ended to read				
1 Definitions	As used in this section	unloss the context	othomyza	indicatos	th.

- 1. **Definitions.** As used in this section, unless the context otherwise indicates, the following terms have the following meanings
 - A "Qualified library" means a public library as defined in Title 27, section 110, subsection 10, a research center as defined in Title 27, section 110, subsection 12, or a library that provides free public access to all advanced telecommunications services available at that library and whose collection serves as a statewide resource, if the commission determines, in consultation with the Maine Library Commission, that including that library as a qualified library is in the public interest
- "North American Numbering Plan Administrator" has the same meaning as in 12 section 7104, subsection 1-A, paragraph A
 - A-2 "Number placed in service" has the same meaning as in section 7104, subsection 1-A, paragraph B
 - A-3 "Numbering plan area" has the same meaning as in section 7104, subsection 1-A, paragraph C
 - "Qualified school" means a public school as defined in Title 20-A, section 1, subsection 24, a private school approved under Title 20-A, section 2901 or 2951, or a school that provides free public access to all advanced telecommunications services available at that school, if the commission determines, in consultation with the Department of Education, that including that school as a qualified school is in the public interest
 - D "Voice network service provider" means a voice service provider that offers its subscribers the means to initiate or receive voice communications using the public switched telephone network and includes a provider of interconnected voice over Internet protocol service required to register with the commission pursuant to section 7110, subsection 2
 - Sec. 4. 35-A MRSA §7104-B, sub-§2, as amended by PL 2017, c 244, §1, is further amended to read
 - 2. Authority. Pursuant to the authority granted in section 7104 and in order to carry out the policy goals established by section 7101, subsections 1, 2 and 4, the commission shall establish a telecommunications education access fund, referred to in this section as the "fund," "the fund," and require all voice network service providers providing service in the State using numbers placed in service for the State's numbering plan area from the North American Numbering Plan Administrator or its successor to contribute to the fund A voice network service provider is not required to contribute to the fund for telephone numbers that are acquired by the provider but are not placed in service. The fund must be available, with any accumulated interest, to qualified libraries, qualified schools and the Raymond H Fogler Library at the University of Maine to assist in paying the costs of acquiring and using advanced telecommunications technologies
- 41 The commission may investigate a voice network service provider to ensure compliance 42 with this section
 - Sec. 5. 35-A MRSA §7110 is enacted to read

1 2	§7110. Registration requirements of interconnected voice over Internet protocol service provider
3 4	1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings
5 6	A "North American Numbering Plan Administrator" has the same meaning as in section 7104, subsection 1-A, paragraph A
7 8	B "Numbering resources" has the same meaning as in section 7104, subsection 1-A, paragraph D
9 10 11	2. Registration. A provider of interconnected voice over Internet protocol service shall register with the commission in a manner prescribed by the commission prior to requesting numbering resources in the State The registration must include
12 13	A Contact information for a representative of the provider responsible for regulatory and numbering matters, and
14 15 16	B An acknowledgment that the provider of interconnected voice over Internet protocol service must file a notice with the commission at least 30 days before requesting numbers from the North American Numbering Plan Administrator or its successor
17 18 19	When there is any change in the contact information required by paragraph A, a provider of interconnected voice over Internet protocol service shall update its registration information
20 21 22 23 24	3. Information requests. A provider of interconnected voice over Internet protocol service registered under subsection 2 shall, upon the commission's request, provide the commission with detailed information relating to the distribution of numbering resources in the State, unless the interconnected voice over Internet protocol service provider is prohibited from doing so by state or federal privacy laws, rules or regulations
25 26 27	4. Authority. The commission may exercise any authority provided to the states by 47 Code of Federal Regulations, Part 52 in effect on December 16, 2022 in order to maximize numbering resources
28 29 30	5. Rules. The commission may adopt rules to implement the requirements of this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
31 32 33	6. Enforcement. Failure of a provider of interconnected voice over Internet protocol service to comply with this section or any applicable commission rule is subject to administrative penalties under section 1508-A
34 35 36	Sec. 6. Public Utilities Commission; report. No later than January 12, 2024, the Public Utilities Commission shall provide a report to the Joint Standing Committee on Energy, Utilities and Technology that
37 38 39	1 Includes a summary of the compliance by voice network service providers, as defined in the Maine Revised Statutes, Title 35-A, section 7104, subsection 1-A, paragraph E, with the requirements of sections 7104 and 7104-B,

Page 4 - 131LR0455(02)

2 Contains an update of the commission's effort to preserve the 207 area code, and

	COMMITTEE AMENDMENT " to HP 247, LD 396
1 2 3	3 Includes an analysis of whether additional efforts could be taken to ensure numbering resources, as defined in section 7104, subsection 1-A, paragraph D, are used efficiently
4 5	The report may include recommendations for any legislation. The committee may report out a bill related to the report to the Second Regular Session of the 131st Legislature.
6 7	Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively
8	SUMMARY
9	This amendment replaces the bill and does the following
10 11 12 13	1 It requires voice network service providers that acquire and place into service numbering resources for the State's numbering plan area from the North American Numbering Plan Administrator or its successor to pay into the State's universal service fund and telecommunications education access fund
14 15 16	2 It provides the Public Utilities Commission with the authority to investigate voice network service providers for compliance with contributing to the State's universal service fund and telecommunications education access fund
17 18 19	3 It creates a registration process for a provider of interconnected voice over Internet protocol service obtaining numbering resources in the State It allows the commission to adopt routine technical rules relating to the registration process
20 21 22	4 It requires the commission to submit a report to the Joint Standing Committee on Energy, Utilities and Technology that includes information on compliance with the State's universal service fund and telecommunications education access fund requirements, an

FISCAL NOTE REQUIRED (See attached)

update on the commission's efforts to preserve the 207 area code, and an analysis of whether

additional efforts are needed to ensure numbering resources are used efficiently
