STATE OF MAINE

SENATE

131ST LEGISLATURE

FIRST SPECIAL SESSION

COMMITTEE AMENDMENT "A" to S P 187, L D 406, "An Act to Expand Passenger Rail Service"

Amend the bill by striking out the title and substituting the following

**'Resolve, Directing the Department of Transportation to Develop and Adopt a Rail Corridor Use Vision Plan for State-owned Railroad Lines and to Seek Proposals for an Operator to Provide Passenger Rail Transit'**

Amend the bill by striking out everything after the title and inserting the following

**'Sec. 1. Rail Corridor Use Vision Plan. Resolved:** That the Department of Transportation shall adopt the Rail Corridor Use Vision Plan, referred to in this resolve as "the vision plan," for the following state-owned railroad lines, referred to in this resolve as "the covered corridors"

1 The Berlin Subdivision, referred to as the St Lawrence and Atlantic Railroad, rail corridor from Portland to Auburn,

2 The Lower Road rail corridor from Brunswick to Augusta,

3 The Mountain Division rail corridor from Westbrook to Fryeburg, and

4 The Rockland Branch rail corridor from Brunswick to Rockland

The vision plan must be consistent with the Department of Transportation's comprehensive long-range transportation plans and must be based on the advice of the advisory committee under section 2 The Department of Transportation shall use the vision plan to evaluate reasonable potential uses of the covered corridors including light rail operations and use the vision plan as a prioritization framework for the development of compatible multimodal uses, including passenger train service, freight train service and nonrail multimodal uses When evaluating reasonable potential uses, the department shall evaluate the likelihood, benefits and costs of restoration of the covered corridors for rail use consistent with the requirements of the Maine Revised Statutes, Title 23, chapter 615

**SUMMARY**

This amendment replaces the bill, which is a concept draft, with a resolve. It directs the Department of Transportation to adopt the Rail Corridor Use Vision Plan. The vision plan must cover the following state-owned railroad lines: the Berlin Subdivision, referred to as the St. Lawrence and Atlantic Railroad, rail corridor from Portland to Auburn, the Lower Road rail corridor from Brunswick to Augusta, the Mountain Division rail corridor from Westbrook to Fryeburg, and the Rockland Branch rail corridor from Brunswick to Rockland. The vision plan must be consistent with the department's comprehensive long-range transportation plans and must be based on the advice of an advisory group established by the Commissioner of Transportation. The department must use the vision plan to evaluate reasonable potential uses of the covered corridors including light rail operations and use the vision plan as a prioritization framework for the development of compatible multimodal uses, including passenger train service, freight train service and nonrail multimodal uses. The department is required to submit a report by January 15, 2025 to the joint standing committee of the Legislature having jurisdiction over transportation matters that includes the vision plan together with any suggested legislation. The department is directed to seek proposals for an operator to provide passenger rail transit service on one or more of the covered corridors.
