The commission shall prepare the notice in consultation with the utility. If, after the notice of the general increase in rates is sent, the utility seeks a rate increase greater than what was stated in the notice, the utility shall promptly notify the commission. If the utility demonstrates good cause, the commission may allow the utility to seek an increase greater than what was stated in the notice subject to reasonable conditions established by the commission, including, but not limited to, requiring the utility to send a new notice to its customers describing the revised proposed increase.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively
