Amend the amendment by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively

SUMMARY

This amendment changes this legislation to a resolve. It removes the provisions in Committee Amendment "A" that authorize the Public Utilities Commission to establish for any transmission and distribution utility with over 50,000 customers a multiyear rate plan that includes rate-adjustment mechanisms including financial incentives relating to the success or failure of the utility to meet established goals. It retains the requirement in the amendment regarding an investigation of time-of-use rates.
