Commuter-oriented Rail Service"

Amend the bill by striking out the title and substituting the following

**'Resolve, Directing the Department of Transportation to Study Impediments to
Passenger Rail Operation Arising from Liability Insurance'**

Amend the bill by striking out everything after the title and inserting the following

'Sec. 1. Study group. Resolved: That the Department of Transportation shall
convene a study group, referred to in this resolve as "the study group," including
representatives of the department and other interested parties as determined and appointed
by the commissioner to examine impediments to passenger rail operation arising from
liability insurance

1. Duties. The study group shall examine the following

- A The degree to which current laws related to liability insurance present a barrier to Class III short line rail operators and other passenger rail operators from operating in this State,
- B The degree to which this State is an outlier regarding passenger rail liability insurance in comparison to other states,
- C Alternative methods of requiring and providing for liability insurance for passenger rail in other states,
- D The requirements of liability insurance in this State for other common carriers, including bus and ferry services,
- E The feasibility of alternative methods to require and provide liability insurance for passenger rail in this State, including changes to liability insurance, adopting and regulating an owner-controlled insurance program or a department-administered insurance program for passenger rail operation, and
