29 **SUMMARY**

30 This bill removes the provision of law stating that monetary contributions from party
31 committees, ballot question committees and political action committees to candidates and
32 leadership political action committees may not be derived, in whole or in part, from a
33 business entity. Under current law, a business entity includes a firm, partnership,
34 corporation, incorporated association, labor organization or other organization, whether
35 organized as a for-profit or a nonprofit entity.
