LD 892

LR 355(02)

An Act to Improve School Safety and Preparedness Through Comprehensive Health and Safety and Emergency Management Planning

Fiscal Note for Bill as Amended by Committee Amendment "A" (S-165)

Committee: Education and Cultural Affairs

Fiscal Note Required: Yes

Fiscal Note

Nationally recognized practices

Fiscal Detail and Notes

This bill requires a school comprehensive health and safety and emergency management plan approved by a school board to meet nationally recognized practices. These plans were identified as a potential unfunded state mandate, Public Law 2021, chapter 464. As no definition of nationally recognized practices is provided in this bill, it is unclear whether additional costs will be imposed on local school administrative units.
