The general operating expenses of the Study Commission on the Impact of Divorce, Child Support Issues and Custody Issues on Children, Parents, Health, Poverty and Housing Insecurity are projected to be \$3,148 in fiscal year 2023-24. This bill requires the commission seek outside contributions to fully fund the costs of the commission and it includes a one-time Other Special Revenue Funds allocation of \$3,148 in fiscal year 2023-24 to the Legislature to allow expenditure of any contributions received. The additional costs of providing staffing assistance to the study during the interim can be absorbed within existing budgeted staff resources.
