SUMMARY

This amendment, which is the majority report of the committee, replaces the bill and changes the title The amendment makes the following changes to the laws governing the Maine Apprenticeship Program

1 It requires the standards of an apprenticeship program to include the dollar value of employer-paid health insurance and the dollar value of employer-paid retirement contribution benefits

2 It requires the Maine Apprenticeship Program to consider the total package value as a factor in evaluating the performance of a registered apprenticeship program

3 It directs the Department of Labor to identify and remedy registered apprenticeship programs that are

A Not in compliance with quality assurance assessments,

B Experiencing low rates of retention or completion, or

C Not providing an adequate total package value to graduates

4 It requires the Department of Labor to perform an annual assessment of the Maine Apprenticeship Program beginning January 1, 2024

5 It requires the Maine Apprenticeship Council to submit, as part of its annual report to the Governor and to the Legislature, data on wages and benefits, actions taken by the council to ensure apprenticeships are leading to well-paying jobs and careers and the annual assessment of the Maine Apprenticeship Program by the Department of Labor

6 It specifies that the Maine Apprenticeship Council must establish a financial incentive program for registered apprenticeships to recruit historically underrepresented populations in all industries, to the extent that funding is available

7 It requires the Department of Labor and the Maine Apprenticeship Council to establish criteria for funding all registered apprenticeship programs The criteria must establish benchmarks and consider the total package value that a registered apprentice graduate earns upon transitioning to journeyman status
