L.D. 1751

Date: 3/12/24

(Filing No. S-573)

HEALTH AND HUMAN SERVICES

Reproduced and distributed under the direction of the Secretary of the Senate.

STATE OF MAINE

SENATE

131ST LEGISLATURE

SECOND REGULAR SESSION

COMMITTEE AMENDMENT “ A ” to S.P. 696, L.D. 1751, “An Act to Maximize Federal Funding in Support of Emergency Medical Services”

Amend the bill by striking out the title and substituting the following:

'Resolve, to Direct the Department of Health and Human Services to Explore the Feasibility of an Ambulance Service Assessment Fee'

Amend the bill by striking out everything after the title and inserting the following:

'Sec. 1. Department of Health and Human Services to explore feasibility of ambulance service assessment fee and voluntary programs that increase funding. Resolved: That the Department of Health and Human Services shall conduct an analysis of the feasibility of implementing an ambulance service assessment fee to maximize federal Medicaid matching funds to be distributed to ambulance service providers. The department shall examine other states with service provider taxes or fees for ambulance services and consult with the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services; the Department of Administrative and Financial Services, Bureau of Revenue Services; the Department of Public Safety, Maine Emergency Medical Services; and any other relevant parties on the feasibility of such a fee. The analysis must include, at a minimum, an estimate of funds to be raised, potential technology costs and other costs for implementation and administration and a timeline for implementing the assessment fee. The department shall also explore the potential for voluntary programs with municipalities that increase funding to governmental ambulance service providers through the implementation of an intergovernmental transfer program. The department shall submit a report with the results and recommendations from the analysis to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than January 10, 2025. The joint standing committee of the Legislature having jurisdiction over health and human services matters is authorized to report out legislation related to the report to the 132nd Legislature in 2025.

Sec. 2. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

21 **SUMMARY**

22 This amendment replaces the bill with a resolve that requires the Department of Health
 23 and Human Services to conduct an analysis of the feasibility of implementing an ambulance
 24 service assessment fee to maximize federal Medicaid matching funds to be distributed to
 25 ambulance service providers. The department must also explore the potential for voluntary
 26 programs to increase funding to governmental ambulance service providers by
 27 implementing an intergovernmental transfer program. The department must submit a
 28 report with results and recommendations from the analysis to the joint standing committee
 29 of the Legislature having jurisdiction over health and human services matters no later than
 30 January 10, 2025.
