SUMMARY

This amendment, which is the majority report of the committee, replaces the bill. It changes existing law to allow a universal symbol to be affixed to an individually wrapped or blister packaged edible cannabis product, and it identifies the following edible cannabis products as impracticable to emboss, stamp, individually wrap or blister package: potato or corn chips, popcorn, pretzels, loose granola and gummies. These edible cannabis products, and any other edible cannabis product determined by the Department of Administrative and Financial Services by rule to be impracticable to stamp, emboss, individually wrap or blister package, must be packaged together with the universal symbol affixed to the packaging.
