# 132nd MAINE LEGISLATURE

## SECOND REGULAR SESSION-2026

---

Legislative Document

No. 2119

---

H.P. 1434

House of Representatives, January 7, 2026

### **An Act to Expand Reimbursement for Treatment in Place, Community Paramedicine and Alternate Destination Transport**

---

Approved for introduction by a majority of the Legislative Council pursuant to Joint Rule 203.

Reference to the Committee on Health and Human Services suggested and ordered printed.

A handwritten signature in cursive script, reading "R B. Hunt".

ROBERT B. HUNT  
Clerk

Presented by Representative DEBRITO of Waterville.

Cosponsored by Representatives: ARATA of New Gloucester, DUCHARME of Madison, Speaker FECTEAU of Biddeford, ROEDER of Bangor, SALISBURY of Westbrook, Senators: CURRY of Waldo, MOORE of Washington.

1       **Be it enacted by the People of the State of Maine as follows:**

2               **Sec. 1. 22 MRSA §3174-QQQ** is enacted to read:

3       **§3174-QQQ. Reimbursement for ambulance services**

4               **1. Reimbursement for ambulance services.** The department shall provide  
5 reimbursement under the MaineCare program for ambulance services, including:

6               A. Emergency transport to a hospital;

7               B. Treatment provided on the scene in response to an emergency call, regardless of  
8 transport;

9               C. Care provided by an emergency medical services provider through community  
10 paramedicine as defined in Title 32, section 84, subsection 4 through approved  
11 community paramedicine services as described in Title 32, section 84, subsection 4;  
12 and

13               D. Transport of a patient to an alternate destination. As used in this paragraph,  
14 "alternate destination" means a facility other than a hospital emergency department that  
15 is clinically appropriate for the patient's condition, including, but not limited to, an  
16 urgent care center, federally qualified health center, primary care practice, behavioral  
17 health crisis center, substance use treatment facility or other clinically appropriate site,  
18 as permitted by the Department of Defense, Veterans and Emergency Management,  
19 Maine Emergency Medical Services.

20               **2. Rules.** The department shall adopt rules to implement this section. Rules adopted  
21 pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375,  
22 subchapter 2-A.

23               **Sec. 2. 24-A MRSA §4303-F, sub-§1,** as amended by PL 2025, c. 34, §1 and  
24 affected by §2, is further amended by repealing the first blocked paragraph.

25               **Sec. 3. 24-A MRSA §4303-F, sub-§5** is enacted to read:

26               **5. Required reimbursement for ambulance services.** A carrier that provides  
27 coverage for emergency medical services shall reimburse for ambulance services,  
28 including:

29               A. Emergency transport to a hospital;

30               B. Treatment provided on the scene in response to an emergency call, regardless of  
31 transport;

32               C. Care provided by an emergency medical services provider through community  
33 paramedicine as defined in Title 32, section 84, subsection 4 through approved  
34 community paramedicine services as described in Title 32, section 84, subsection 4;  
35 and

36               D. Transport of a patient to an alternate destination. As used in this paragraph,  
37 "alternate destination" means a facility other than a hospital emergency department that  
38 is clinically appropriate for the patient's condition, including, but not limited to, an  
39 urgent care center, federally qualified health center, primary care practice, behavioral  
40 health crisis center, substance use treatment facility or other clinically appropriate site,

1 as permitted by the Department of Defense, Veterans and Emergency Management,  
2 Maine Emergency Medical Services.

3 **Sec. 4. Rulemaking.** The Department of Health and Human Services, in  
4 consultation with the Department of Defense, Veterans and Emergency Management,  
5 Maine Emergency Medical Services, shall adopt rules to implement this Act, including, but  
6 not limited to:

7 1. Establishing clinical and documentation standards for treatment provided on the  
8 scene in response to an emergency call, care provided by an emergency medical services  
9 provider through community paramedicine and alternate destination transport;

10 2. Establishing billing and coding procedures; and

11 3. Establishing quality assurance and patient safety requirements.

12 Rules adopted under this section are routine technical rules as defined in the Maine  
13 Revised Statutes, Title 5, chapter 375, subchapter 2-A.

#### 14 SUMMARY

15 This bill expands existing requirements for insurance carriers and the MaineCare  
16 program to provide reimbursement for ambulance services to include:

17 1. Treatment provided on the scene in response to an emergency call, regardless of  
18 transport;

19 2. Care provided by an emergency medical services provider through community  
20 paramedicine; and

21 3. Alternate destination transport to clinically appropriate facilities other than hospital  
22 emergency departments.

23 The bill requires the Department of Health and Human Services and the Department of  
24 Defense, Veterans and Emergency Management, Maine Emergency Medical Services to  
25 adopt rules to implement reimbursement standards.
