SUMMARY

6 This amendment, which is the majority report of the committee, makes the following
7 changes to the bill.

8 1. It clarifies that legal services performed for a nonparty witness are considered
9 indigent legal services if the nonparty witness is determined to be indigent, the United
10 States Constitution or the Constitution of Maine requires that the State provide counsel to
11 that nonparty witness regarding the witness's privilege against self-incrimination and the
12 nonparty witness will appear as a witness in the State in a criminal proceeding; a juvenile
13 proceeding; an emancipation proceeding; a child protection proceeding; an involuntary
14 commitment proceeding; an involuntary treatment proceeding; or an extreme risk
15 protection order proceeding. This requirement differs from the bill, which does not
16 specifically require the nonparty witness to be indigent or limit the types of proceedings in
17 which the nonparty witness has been called to testify in order to receive indigent legal
18 services under this provision of law.

19 2. It clarifies that, if a court appoints an attorney to represent a juvenile in an
20 emancipation proceeding or a respondent in an involuntary commitment or involuntary
21 treatment proceeding, the juvenile or respondent must be considered indigent and the
22 appointment must be at public expense.

23 3. It adds an appropriations and allocations section.
