# FORTY-NINTH LEGISLATURE.

---

HOUSE.

No. 61.

---

---

## STATEMENT OF FACTS.

---

The road from Patten was laid out by the County Commissioners, and crosses Fish stream in Island Falls plantation where a bridge will be necessary, as the numerous streams which fall into the Mattawamkeag lake pass through said plantation, the necessity for building and maintaining so many bridges imposes a burden on the scattered inhabitants that they are unable to bear. It is estimated that the bridge above named will cost about \$600. The road is the one mentioned by the Commissioners on the Settlement of Public Lands.
