## STATEMENT OF FACTS

*Relating to petition of William W. Quimby for continuance of State Pension.*

---

The Committee on Pensions, in obedience to instructions of the Legislature, submit the following brief statement:

That William W. Quimby, the petitioner, a resident of Bucksport in this State, at a military parade in the town of Athens in this State, thirty-five years ago, or thereabouts, was maimed, and lost the thumb of his left hand; that he is now sixty-five years old, has a family consisting of himself, his wife and two sons; the eldest of these sons is eighteen, and the other about sixteen years of age. He has a farm and stock valued by the assessors at \$967. His wife receives a pension from the United States of eight dollars per month on account of the loss of a son in the late war. The petitioner has received from the State because of his disability, pensions under sundry resolves, extending from January, 1842, to January, 1870, the sum of \$1,176; but he represents himself as being now old and poor and wholly unable to labor.

Per order.

M. F. GANNETT, *for the Committee.*
