FIFTY-THIRD LEGISLATURE.

SENATE.

No. 35.

STATE OF MAINE.

EXECUTIVE DEPARTMENT, }
Augusta, February 10th, 1874. }

To the Senate and House of Representatives :

In response to a joint order calling upon the Executive "to give the name of each officer and employee of the State Prison and State Reform School, and the compensation paid to each for the year 1873, and for each year for the past twenty years," I have the honor to transmit the accompanying tabular statements, covering so much of the information called for as can be ascertained from documents on file. So far as the State Prison is concerned, this information is complete; but the records of the Reform School prior to 1866, were destroyed in the office of the then chairman of the Board of Trustees in the great fire in Portland, in that year.
