FIFTY-EIGHTH LEGISLATURE.

---

SENATE.

No. 64.

---

STATE OF MAINE.

---

RESOLVE making appropriation for the St. Elizabeth's orphans' asylum of Portland.

---

*Resolved,* That the sum of two hundred dollars  
2 be and hereby is appropriated, for the use of the  
3 St. Elizabeth's orphans' asylum of Portland.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and reporting, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and privacy. It provides strategies to mitigate these risks and ensure that data is used responsibly and ethically.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of ongoing monitoring and evaluation to ensure that data management practices remain effective and aligned with the organization's goals.

6. The final part of the document provides a list of references and resources for further reading. It includes links to relevant articles, books, and industry reports that can provide additional insights into data management best practices.

STATE OF MAINE.

---

IN SENATE, February 14, 1879.

Reported by Mr. ANDREWS of York, from the Committee on  
Military Affairs, and laid over to be printed under the Joint Rule.

SAMUEL W. LANE, *Secretary.*
