UNITED STATES ENGINEER OFFICE, }
PORTLAND, Me., Feb. 28, 1880. }

Dear Sir :—Since writing to you, this morning, I have received a letter from Albany, N. Y., in which I am informed that there are thirty-nine maps in the complete set, and that they are but slightly damaged, (having been saved from a fire), but they require to be backed and bound, the expense of which, with a suitable case, express expenses, &c., may amount to about \$150, delivered at Augusta. If desired to have them backed and bound (as they ought to be) it can be done in Philadelphia at a probable cost of \$2 each. If I can give you any aid in this matter, I shall be glad to do so.

Respectfully yours, &c.,

GEO. THOM.

W. DICKEY, Esq., Augusta, Me.
