#### STATEMENT OF FACTS.

Fort Kent was incorporated into a town February 23, 1869, and comprised the plantations of Fort Kent and a portion of the plantation of Daigle.

There were due from said plantations at the time of said act of incorporation, state taxes amounting to the sum of \$142.08, which were assumed by the town of Fort Kent.

By a resolve of the legislature passed March 4, 1869, an abatement of \$35 on said tax was made Fort Kent, upon condition that the balance of the taxes due from said plantations be paid into the treasury of the state on or before the first day of February, 1870.

April 5, 1869, Fort Kent paid the state treasurer...\$126 00 Jan. 6, 1875, there was credited said Fort Kent.... 16 08

\$142 08

Making \$142.08, which said sum of \$142.08 was the full amount of taxes due from Fort Kent at the date of said resolve, and included said abatement of \$35.

Said \$35, instead of being allowed said Fort Kent on said tax in 1869, was (by reason of said resolve not having been brought to the knowledge of the the state treasurer) taken out of the school money placed to the credit of Fort Kent in the treasurer of state's office at that time.
