No. 64.

STATE OF MAINE.

---

RESOLVE in favor of Fort Kent.

---

*Resolved,* That the State Treasurer be directed to  
2 pay to the town of Fort Kent the sum of one hun-  
3 dred forty-two dollars forty-two cents (\$142.42)  
4 being the balance in equity due said town as its  
5 proportion of school money for the year eighteen  
6 hundred and eighty-six.

## STATEMENT OF FACTS.

In 1885, the whole number of scholars was 760. In 1886, 774. The return from the town was made and mailed, but not received, and hence the sum of \$142.42 was lost to the town and this but restores the amount of school money which the town would have received if the return had not been lost.

FORT KENT, ME., January 17, 1886.

*Hon. N. A. Luce.*

DEAR SIR :—Enclosed please find "school statistics" of 1886 for this town.

I am unable to state the exact time I sent you the former one, but am *positive* I did so.

Our schools did good work last year, and we need our money very much to pay teacher.

I am sorry for the delay, but can certify that it is no fault of mine in making and mailing the returns. You will recollect that I called your attention to the matter last summer when you were here.

Very respectfully.

A. G. FENLASON.

I am personally sure the return was made and mailed in season, as I was notified and attended to the return from Fort Kent and other municipal returns.

W. DICKEY.
