Sixty-Fourth Legislature.

HOUSE.

No. 22.

STATE OF MAINE.

SHIRLEY, January 15, 1889.

*To the Honorable Senate and House of Representatives in
Legislature Assembled:*

The undersigned citizens of Shirley and vicinity would respectfully inform you that a road from said Shirley to the Forks of the Kennebec river would be only eighteen miles in length.

That such a road is greatly needed to unite the people and the business of upper Piscataquis and northern Somerset.

That unless the State shall appropriate something towards this road it cannot at present be built.

That public necessity demands this road so much that we pray your honorable body to appropriate such sum to aid in the same as you in your judgment may deem proper.
