## STATE OF MAINE.

---

IN THE YEAR OF OUR LORD ONE THOUSAND EIGHT HUNDRED  
AND NINETY-THREE.

---

AN ACT amendatory to Chapter 506, Section 34, Paragraph  
XI of the Special Laws of 1889, relating to the charter of  
the city of Deering.

---

*Be it enacted by the Senate and House of Representatives  
in Legislature assembled, as follows:*

Paragraph XI of section 34 of chapter 506 of the Spec-  
2 ial Laws of 1889 is hereby amended by adding after the  
3 word large in the last line thereof the following words,  
4 to wit, 'provided that the additional cost of any sewer  
5 which shall be built of larger size than may be necessary  
6 for sewerage, at the time when built, in order to provide  
7 a trunk line for lateral or other sewers to be subsequently

8 built, and which shall directly or indirectly empty into  
9 said sewer, shall be paid by the city, and such cost shall  
10 be added proportionally, as shall be estimated by the city  
11 council, to the cost of such lateral or other sewers as they  
12 shall be built; and the amounts thereof shall be assessed  
13 as herein provided,' so that said paragraph as amended  
14 shall read as follows, viz:

‘XI. When lots and parcels of land adjoining streets  
16 where sewers are laid, receive no immediate benefit from  
17 said drains or sewers constructed and completed in accord-  
18 ance with the provisions of this section, the city council  
19 may suspend the enforcement of the assessment till said  
20 lots, or parts thereof, are sufficiently improved for build-  
21 ing purposes, and the amounts of the assessments shall  
22 be filed by the city treasurer as assets of the city; but it  
23 shall not be lawful, under this section, for the city coun-  
24 cil or agents thereof, to assess more than one-third of  
25 the cost of constructing any drain or sewer or any part  
26 thereof upon the taxpayers of the city at large, provided  
27 that the additional cost of any sewer which shall be built  
28 of larger size than may be necessary for sewerage, at the  
29 time when built, in order to provide a trunk line for  
30 lateral or other sewers to be subsequently built, and  
31 which shall directly or indirectly empty into said river,  
32 shall be paid by the city, and such cost shall be added  
33 proportionally, as shall be estimated by the city council,  
34 to the cost of such lateral or other sewers as they shall

35 be built, and the amounts thereof shall be assessed as  
36 herein provided.'
