Sixty-Eighth Legislature.

HOUSE. No. 149.

STATE OF MAINE.

RESOLVE in favor of East Corinth Academy.

Resolved, That the sum of two hundred dollars yearly, for two years be and hereby is appropriated to East Corinth Academy, an institution of learning, located in the town of Corinth in the county of Penobscot; provided, however, that the appropriation is made on the express condition that the trustees of said institution shall maintain and keep in operation a school equal in rank and grade of teaching with a first class academy.

STATEMENT OF FACTS.

East Corinth Academy is an institution of learning fifty years old, and has done a grand good work for the State.

The academy building is old, but the trustees, aided by public-spirited citizens of the town of Corinth, have thus far kept the building in good repair and comfortable for the scholars attending the school, and thus far have never failed in any instance, to have at least a spring and fall term of school, in some years summer and winter terms also, often-times attended with an expense to the friends of the institution largely in excess of the receipts for tuition, which is the only source of income the academy has, except $300 yearly from the State, for the last six years and $200 a year additional for the past two years.

We ask for an appropriation of $200 per year for two years, making the appropriation the same as for the years 1895 and 1896.
