STATE OF MAINE.

BOARD OF REGISTRATION OF MEDICINE,
DECEMBER 31, 1898.

To His Excellency, Llewellyn Powers:

SIR: As required by law, we present the following as the fourth annual report of the board of registration of medicine.

Only the three regular meetings, required by the law have been held in 1898; the March meeting was holden in Portland, on the twenty-ninth of that month. The chairman, Dr. Sumner Loughton, having deceased and your Excellency having appointed Dr. Galen M. Woodcock, of Bangor, to succeed him and Dr. Edwin F. Vose, of Portland, to succeed himself, the board organized by the choice of Dr. John Lord, of Biddeford, as chairman, and Dr. A. K. P. Meserve, of Portland, as secretary. The second meeting convened at Portland, July nineteenth and the third, at Augusta, November fifteenth. Seventy-seven persons were examined in writing and orally at these meetings, seventy of whom were passed, admitted to registration and certificates were granted them, while seven, not obtaining the required rating of 75% upon an average of ratings were rejected. Five

of those rejected were graduates of reputable medical schools and two were non-graduates. Of the 70 registered, 65 called themselves "regular," and 5, "homeopaths," while of those rejected, 4 were "regular," 1, "homeopathic," 1, "eclectic," and one did not claim to belong to any school.

The whole number registered since the organization of the board is 1,370. Two certificates issued in 1895 have been revoked, the board being satisfied, unanimously, that they were wrongly issued. No prosecutions for violation of the law have come to our notice in 1898, nor have the erstwhile flaming advertisements of the travelling quack been conspicuous, save by their absence.

The receipts and expenses of the board, have been as follows:

Balance in State treasury, Jan. 1, 1898.....	\$ 0 00
Deposit, State treasury, April 1, 1898.....	102 00
Deposit, State treasury, August 22, 1898.....	758 00
Deposit, State treasury, Nov. 23, 1898.....	60 00
Deposit, State treasury, Dec. 10, 1898.....	2 00
	<hr/>
	\$922 00

EXPENDITURES.

Per diem, travelling and incidental expenses of members.....	\$638 75
Stationery, printing, expense of examinations, etc	61 22
Secretary's fees for correspondence, clerical work, questions, etc.....	208 10
Balance in State treasury.....	13 93
	<hr/>
	\$922 00

The accompanying appendix gives the statistics of the year's work and also the names of registered physicians who have deceased in 1898, as far as known to the secretary.

Respectfully submitted,

JOHN LORD, M. D., *Chairman.*

AUSTIN I. HARVEY, M. D.,
