## STATE OF MAINE.

---

IN THE YEAR OF OUR LORD ONE THOUSAND NINE  
HUNDRED AND ONE.

---

*To the Honorable Senate and House of Representatives, in  
Legislature assembled:*

I have the honor of presenting the following statement relative to fees received and expenditures made during the year 1900, in compliance with the order introduced into the House of Representatives January 23, 1901.

Respectfully,

A. G. YOUNG,

*Secretary of State Board of Health.*

*Fees.* Never a fee accepted. The few occasionally received as tokens of gratitude for work done have invariably been returned to the donors with thanks.

*Expenditures.* The following sheets show:

1st. A consecutive list of bills approved by the governor and council, and paid from the state treasury.

2d. The same bills distributed under various headings, thus showing for what purposes the various expenditures have been made.

This statement exhibits the way in which the accounts are kept in the office of the state board of health, the one method of keeping the accounts serving as a check in eliminating errors in the other.
