Seventy-first Legislature.

SENATE.

No. 54

STATE OF MAINE.

RESOLVES in relation to extra pay of Maine volunteers in
the War with Spain.

Resolved, That there be paid from the treasury of the State
2 to the soldiers who were enlisted by the United States and
3 sent to join the First Regiment of Infantry and Battery A
4 of the First Heavy Artillery under orders of the secretary
5 of war, and who constituted a part of the quota of the State
6 under the second call of the President for troops in the war
7 with Spain, the same amount of extra pay that was received
8 by the soldiers volunteering under the first call.

Resolved, That the governor and council shall audit all
10 claims presented under the above resolve, and upon finding
11 any claimant justly entitled to the extra pay under the same,
12 the governor shall draw his warrant on the treasurer in favor
13 of the paymaster general for the amount due.

Resolved, That the sum of seven hundred ninety-two dol-
15 lars be and is hereby appropriated for extra pay of Maine
16 volunteers in the war with Spain, to be expended under the
17 direction and supervision of the governor and council.

STATEMENT OF FACTS.

These resolves are substantially a renewal of the resolves approved February 6, 1901. The Legislature of 1901 appropriated the sum of eight hundred eighty dollars for payment of these claims. From this sum four men were paid twenty-two dollars each, amounting to eighty-eight dollars, leaving seven hundred ninety-two dollars balance which was reverted to the treasury December 31, 1902.

It appears upon a careful examination of the records of the soldiers who were enlisted by the United States and sent to join the First Regiment of Infantry and Battery A of the First Battalion of Heavy Artillery under orders of the secretary of war, and who constituted a part of the quota of the State under the second call of the President for troops in the war with Spain, that the following named men have not yet filed claims for the twenty-two dollars extra pay, provided for in a resolve approved February 6, 1901 :
