### STATEMENT OF FACTS.

By chapter 402 Private and Special Laws 1907 the State assumed the maintenance and care of two bridges across the Penobscot river between Oldtown and Milford. The maintenance of these two bridges from April first, 1907, to January first, 1909, was in round numbers \$2500.00, and the State commissioner of highways estimates that the cost of maintenance for the next two years will average \$1250.00 per year.
