fish into any waters. They may, after a hearing, set apart, for a term not exceeding ten years, any waters for the use of the State or of the United States commissioner of fish and fisheries, in the prosecution of the work of fish culture and of scientific research relative to fishes. The order setting apart such waters shall be recorded in the registry of deeds of the county in which they are situated. In the waters so set apart, they and the United States commissioner of fish and fisheries, and persons acting under their authority may, in their respective fish culture and scientific work, take fish at any time or in any manner, and erect and maintain any fixtures necessary for such purposes. No other person shall take or kill any fish, or use any implement for fishing therein, under a penalty of not less than ten nor more than one hundred dollars, and a further penalty of one dollar for each fish so taken or killed; provided, however, that before such hearing they shall give notice thereof, by publication of their intention for two successive weeks in at least one newspaper printed in the county where such waters lie. They are authorized to grant permission to take moose, caribou, deer, and birds for park purposes in this state, under such rules, regulations, and conditions as they shall establish. They shall have authority to cause the destruction of any mink or other destructive animal or bird found in or around any fish hatchery or feeding station in this State.

They shall have authority in their discretion to compel the owner or occupant of every dam or other artificial obstruction above tide water in any river or stream frequented by salmon,

land-locked salmon, shad, alewives or other migratory fishes, to provide the same with a durable and efficient fishway, of such form and capacity, and in such location as may, after notice in writing to one or more of said owners or occupants and a hearing thereon, be determined by the commissioners of inland fisheries and game by written notice to some owner or occupant specifying the location, form and capacity of the required fishway, and the time within which it shall be built; and said owner or occupant shall keep said fishway in repair, and open and free from obstruction for the passage of fish, during such times as are prescribed by law; provided, however, that in case of disagreement between said commissioners and the owner or occupant of any dam, as to the propriety and safety of the plan submitted to the owner or occupant of such dam for the location and construction of the fishway, such owner or occupant may appeal to the county commissioners of the county where the dam is located, within twenty days after notice of the determination from the commissioners of inland fisheries and game by giving to the latter named commissioners notice in writing of such appeal within that time, stating therein the reasons therefor; and at the request of the appellant or the commissioners of inland fisheries and game, the senior commissioners in office of any two adjoining counties shall be associated with them, who shall appoint a time to view the premises and hear the parties and give due notice thereof, and after such hearing they shall decide the question submitted, and cause record to be made there-

of, and their decision shall be final as to the plan and location appealed from. If the requirements of the commissioners of inland fisheries and game are affirmed, the appellants shall be liable for the costs arising after the appeal, otherwise they shall be paid by the county. If a fishway thus required is not completed to the satisfaction of the commissioners of inland fisheries and game within the time specified, every owner or occupant shall forfeit not more than one hundred, nor less than twenty dollars for every day of such neglect between the first days of May and November. On the completion of a fishway to the satisfaction of the commissioners of inland fisheries and game, or at any subsequent time, they shall prescribe in writing the time during which the same shall be kept open and free from obstruction to the passage of fish each year, and a copy of such writing shall be served on the owner or occupant of the dam. The commissioners of inland fisheries and game may change the time as they see fit. Unless otherwise provided, fishways shall be kept open and unobstructed from the first day of May to the fifteenth day of July. The penalty for neglecting to comply with this section, or with any regulations made in accordance herewith, is not less than twenty, or more than one hundred dollars for every day of such neglect.

Sect. 18. Whenever the commissioners of inland fisheries and game find a fishway out of repair or needing alterations, they may, as in the case of new fishways, require the owner or occupant to make such repairs or alterations; and all proceedings in such cases and the penalty for neglect shall be as pro-

vided in the preceding section without appeal. If the dam is owned and occupied by more than the one person, each is liable for the cost of erecting and maintaining such fishway, in proportion to his interest in the dam, and if any owner or occupant neglects or refuses to join with the others in erecting or maintaining such fishway, the other owners or occupants shall erect or repair the same, and have an action on the case against such delinquent for his share of the expenses. If the owner or occupant of such dam resides out of the state, said penalties may be recovered by a libel against the dam and land on which it stands, filed in the supreme judicial court in the county where it is located, in the name of the commissioners of inland fisheries and game or of any inland fish and game wardens who shall give to such owner or occupant, and all persons interested therein, such notice as the court or any justice thereof in vacation orders, and the court may render judgment therein, against said dam and lands for said penalties and costs, and order a sale thereof to satisfy such judgment and costs of sale, subject, however, to all said requirements for the erection and maintenance or repair of said fishway. For real estate so taken, the owners are entitled to damages, to be paid by the state and estimated by the county commissioners, on written application of either party, made within one year after filing the location as hereinafter provided, or if proceedings thus commenced fail for causes not affecting the merits, new ones may be commenced within one year thereafter.

When the commissioners of inland fisheries and game deem that a public exigency requires the taking of any land or

rights for the purposes aforesaid, they shall cause the same to be surveyed, located, and so described that the same can be identified, and a plan thereof shall be filed in the office of the register of deeds in the county where the land or rights are located, and there recorded.

It shall be unlawful for any *unnaturalized foreign-born person who has not resided within the limits of this state for two years continuously prior to making application for a license as provided herein and who is not a taxpayer upon real or personal property within this state*, to hunt in any manner, at any time, or pursue, catch, kill or have in possession any wild animals or birds within the limits of this state, unless he is annually licensed so to do as hereinafter provided.

The commissioners of inland fisheries and game, upon the application of any unnaturalized foreign-born person who is a resident of any city, town or plantation within the state, and upon the payment of a fee of fifteen dollars may issue such per-

son a license upon a form to be supplied by them, bearing the name, age and place of residence of the licensee with a description of him as near as may be, authorizing the said licensee to hunt and kill game birds, game or other wild animals on any lands on which said hunting or killing is not forbidden by law, or by written or printed notices posted thereon by the owner, lessee or occupant thereof. Such license shall be good only for that period of the year when game birds, game or other wild animals may be lawfully killed and shall authorize the hunting or killing of game only under such restrictions and for such purposes as are imposed or authorized by law. Said licenses shall not be transferable and shall be exhibited upon demand to any of the commissioners of inland fisheries and game, and to any inland fish and game warden or deputy inland fish and game warden, and to any sheriff, constable, police officer or other officer qualified to serve process. The fees received from said licenses shall annually be paid into the state treasury.

If any firearm or firearms are found in the possession of any foreign-born unnaturalized person required to be licensed under the provisions of this act, when he is upon the wild lands or in the woods of the state, not having a license as herein provided, it shall be prima facie evidence that such person is hunting in violation of the provisions of this act and he shall be subject to a penalty of twenty-five dollars and costs for each offense, and a further penalty of forfeiture to the state of

all firearms found in his possession in violation of this section, and any person authorized to enforce the inland fish and game laws is authorized to seize all firearms found in possession in violation of the provisions of this section, and shall forthwith forward them to the commissioners at Augusta, and upon conviction of the person or persons from whom they were seized shall sell them, the proceeds from such sale to be paid to the treasurer of state.

Whoever violates any of the provisions of this section shall pay a fine of fifty dollars and costs for each offense.

Sect. 56. No person shall engage in the business of guiding, either for inland fishing or forest hunting, until he has caused his name, age and residence to be recorded in a book kept for that purpose by the commissioners of inland fisheries and game, and has procured a certificate from said commissioners, setting forth in substance that he is deemed suitable to act as a guide, either for inland fishing or forest hunting or both, as the case may be, under a penalty of fifty dollars and costs for each offense. Each registered guide shall, from time to time, as often as requested by the commissioners, forward, on blanks furnished him by the commissioners, a statement of the number of persons he has guided in inland fishing and forest hunting during the time called for in said statement, the number of days he has been employed as a guide, and such other useful information relative to inland fish and game, forest fires, and the preservation of the forests in the localities where he has guided, as the commissioners may deem of importance to the state, under a penalty of fifty dollars for unreasonably or

wilfully refusing to comply with these requirements.

Such registration as is provided for in this section shall be as follows: The applicant shall apply in writing or personally to the commissioners for registration, or to some person designated by the commissioners, setting forth in his application whether he desires to be registered as a general or local guide; and the commissioners shall, as soon thereafter as may be, register such person as a guide in such class as they shall deem proper, after such investigation as they shall deem proper; but said commissioners may refuse to register any applicant whom they deem unfit to be a guide, and may, for cause shown, after due notice and hearing, cancel any registration by them made, and may advance anyone from the local class to the general class, whenever they shall deem such person qualified to be a general guide.

Whenever a guide registered, as provided in this section, is convicted of any violation of any of the inland fish and game laws, the commissioners may, at their discretion, cancel his certificate of registration and strike his name from the list of registered guides; but such person may thereafter be registered again at the discretion of the commissioners. Any certificate cancelled by virtue of this section shall be immediately returned to the commissioners, under a penalty of fifty dollars for refusal or neglect to comply with this requirement. A fee of one dollar shall be paid annually for the registration as herein provided.

No person shall receive a certificate as a general guide un-

less he be at least twenty years of age, of good repute, and friendly to the inland fish and game laws, and will discountenance in all proper ways all violations thereof. He shall be thoroughly competent to traverse the hunting grounds in which he is licensed to guide and shall be skilled in the use, management, and handling of such boats or canoes, on lake, pond, or river, as are used in the territory in which he is authorized to guide, and shall be a safe person under all circumstances to be a guide for inland fishing and forest hunting parties. A person may receive a certificate as a local guide who does not, in the judgment of the commissioners, possess all the necessary qualifications of a general guide, yet is deemed suitable to act as such under certain conditions; and guides may be restricted in the territory in which they are permitted to guide.

The Commissioners of Inland Fisheries and Game may, in their discretion, license as guides such non-residents as reside in territory contiguous to the state of Maine, under such conditions as are herein provided for the registration of resident guides; the fee for such non-resident guide license shall be twenty dollars.

Sect. 57. No person shall maintain, occupy or keep a sporting camp, lodge or place of resort for inland hunting or fishing parties within the limits of any of the unorganized townships embraced in the Maine Forestry District without annually procuring a license therefor of the commissioners of inland fisheries and game and paying therefor a fee of five dollars; but

such license shall not be granted unless the person applying for the same files with his application therefor the written consent of the owner or owners of the land, or his or their agent, upon which such sporting camp, lodge or place of resort for inland fishing and hunting parties is or may be located, and such licensed persons may purchase for consumption in their sporting camps, lodges or places of resort, deer lawfully killed, but they shall keep a record of all such purchases, of whom purchased and the date of the purchase, and on December fifteenth of each year shall send such record to the commissioners of inland fisheries and game, first making oath to the same; the commissioners of inland fisheries and game may refuse to issue a license or licenses to such person or persons as they deem unsuitable.

Whoever violates any of the provisions of this section shall pay a fine of fifty dollars and costs for each offense.

Sect. 58. Whoever hunts, captures or traps any of the fur bearing animals of the state in any of the unorganized townships of the state shall annually procure a license therefor of the commissioners of inland fisheries and game, paying therefor a fee of five dollars; and he shall, on or before December fifteenth of each year, make such report to said commissioners as may be called for by them.

Whoever violates any of the provisions of this section shall pay a fine of fifty dollars and costs for each offence.

Sect. 59. It shall be unlawful for any person to set any trap or traps of any kind for any wild animal without having

Whoever violates any of the provisions of this section shall pay a fine of five dollars for each trap set and not marked as provided in this section, and the forfeiture of the trap or traps and any wild animal found therein, to any person finding the same not marked in accordance with the provisions of this section.

Sect. 60. Any person setting a trap in any incorporated place shall visit said trap, or cause the same to be visited, at least once in every twenty-four hours and remove therefrom, or cause to be removed, any animal found caught therein.

The commissioners of inland fisheries and game may annually issue licenses to residents of this state to buy and sell or tan deer skins, and the heads of deer if not detached from the skins. Such licensee shall keep a record of all the heads and skins purchased, of whom purchased and the date of each purchase, and shall send such record annually to the commissioners of inland fisheries and game on or before the twentieth day of December of each year. The fee for such license shall be ten dollars, to be paid to the said commissioners.

All deer skins and deer heads purchased by virtue of this section shall be transported only under such rules, restrictions and limitations as shall, from time to time, be made by said commissioners.

Whoever buys any skins or heads of deer without being licensed as herein provided, or whoever, licensed as aforesaid, neglects to keep the record and forward the same to said commissioners as herein provided, shall pay a fine of fifty dollars and costs for each offence.

Sect. 62. Whoever engages in the business of buying otter, sable or fisher skins or the skins of any other fur-bearing animals shall procure a license for that purpose annually of the commissioners of inland fisheries and game, paying therefor the sum of two dollars.

Such persons so licensed as aforesaid, shall keep a record of all such skins by them purchased, as aforesaid, in an appropriate book furnished them by the said commissioners, and shall send such record, under oath, to said commissioners on or before the twentieth day of December of each year.

Sect. 63. Any marketman or provision dealer having an established place of business in the state, may purchase and have

in possession at his said place of business not more than three deer, lawfully killed or destroyed, or any part thereof, at one time, and may sell the same at retail to his local customers, and may sell the heads of such deer to any licensed taxidermist; provided, however, that said marketman or provision dealer, shall annually procure a license of the commissioners of inland fisheries and game to carry on said business of buying and selling deer as aforesaid; and provided further, that said marketman shall record in a book kept for that purpose, and open to the inspection of inland fish and game wardens and the commissioners of inland fisheries and game, the name and residence of each person of whom he purchases any deer, and the date of such purchase; and if any marketman or provision dealer shall violate any of the provisions of this section, he shall pay a fine of five hundred dollars for each offense, and be prohibited for five years thereafter from the benefits of this section.

All marketmen or provision dealers licensed as aforesaid shall pay to the commissioners of inland fisheries and game in cities and towns of over three thousand inhabitants, five dollars annually, and three dollars in all other places; said marketmen and provision dealers holding these licenses shall, on December twentieth, make, sign and send to the commissioners, under oath, a statement setting forth in detail the number of deer by them bought, and of whom bought, and the date of each purchase, during the time covered by their licenses; and whoever fails to make the report required in this section shall pay a fine of one hundred dollars and costs.

Sect. 64. The commissioners of inland fisheries and game may, upon application and payment of a fee of two dollars by the applicant, issue a license to such persons as taxidermists, who, in their judgment, are skilled in that art, of good reputation, and friendly to the inland fish and game laws of the state; taxidermists licensed as aforesaid may at all times have in their possession, at their places of business, fish and game lawfully caught or killed in open time for the sole purpose of preparing for and mounting the same; and such fish and game, or parts thereof, may be transported to such licensee and retained by him for the purposes aforesaid, under such rules, restrictions and limitations as shall, from time to time, be made by said commissioners. They shall, before being qualified to discharge the duties required by this act, give bond to the treasurer of the state, with two good and sufficient sureties, in the penal sum of two thousand dollars, approved by the commissioners of inland fisheries and game, conditioned for the faithful performance of the duties of their office. Inland fish and game wardens may serve all processes pertaining to the collection of penalties for violation of the inland fish and game laws.

All birds, fish, game or other protected wild animals, hunted, caught, killed, destroyed, bought, sold, carried, transported, or found in possession of any person or corporation, in violation of any of the provisions of this chapter, shall be liable to seizure; and in case of conviction for such violation, the same shall be forfeited to the state, to be sold for the benefit of the state. Any person whose fish, game, or birds has been seized for violation of any game or fish law, shall have it returned to him on giving to the officer a bond with sufficient sureties, residents of the state, in double the amount of the fine for such violation, on condition that, if convicted of such violation, he will, within thirty days thereafter, pay such fine and costs. If he neglects or refuses to give such bond and take the game, fish or birds so seized, he shall have no action against the officer for such seizure or for the loss of the game or fish seized.

Sect. 69. The commissioners of inland fisheries and game and every inland fish and game warden may arrest, with or without a warrant, any person whom he has reason to believe guilty of a violation thereof, and with or without a warrant may open, enter and examine all buildings, camps, vessels, boats, wagons, cars, stages, tents, and other receptacles and places, and examine all boxes, barrels and packages where he has reason to believe that game, fish or game birds or pro-

to be taken before any trial justice or any municipal or police court, in the county where the offense was committed, or in any adjoining county, for a warrant and trial. Jurisdiction in such cases is hereby granted to all trial justices and all other courts to be exercised in the same manner as if the offense had been committed in that county; and any officer who shall maliciously, or without probable cause, abuse his power in such proceedings shall upon conviction pay a fine not exceeding one hundred dollars and costs, or imprisonment not exceeding three months.

Sect. 71. Trial justices, police and municipal courts within their counties shall have, upon complaint, original and concurrent jurisdiction with the supreme judicial and superior courts in all prosecutions under any inland fish and game law.

Sect. 73. In case of a violation of any of the provisions

of this chapter by a corporation, the warrant may be served by an attested copy on the president, secretary, manager, or any general agent thereof in the county where the action is pending, and upon return of such warrant so served, the corporation shall be deemed in court and subject to the jurisdiction thereof, and any fine imposed may be collected by execution against the property of such corporation; but this section shall not be deemed to exempt any agent or employee from prosecution.

Sect. 74. If the holder of any license, certificate, or permit, issued in conformity with any of the provisions of this chapter, shall flagrantly or knowingly violate or countenance the violation of any of the provisions of this chapter, such license, certificate or permit may be revoked by the commissioners of inland fisheries and game after due notice given of the alleged violation, and an opportunity afforded to appear and show cause against the same.

Sect. 75. Each county attorney shall prosecute all violations of this chapter occurring within his county, when such cases may come to his knowledge, or when he may be so requested by the commissioners of inland fisheries and game or any officer charged with its enforcement, such prosecution shall at all times be subject to the supervision and control of the commissioners.

Sect. 76. In any prosecution under this chapter, any participant in a violation thereof, when so requested by the county attorney, commissioners of inland fisheries and game or other officer instituting the prosecution, may be compelled to testify

as a witness against any other person charged with violating the same, but his evidence so given shall not be used against himself in any prosecution for such violation.

Sect. 77. Every magistrate or the clerk of the court before whom any prosecution under this chapter is commenced, or shall go on appeal, within twenty days after the trial or dismissal thereof shall report in writing the result thereof and the amount of fines collected, if any, and the disposition thereof to the commissioners of inland fisheries and game at Augusta.

Sect. 78. In all cases, the officer making the seizure or sale of fish, game or birds, shall within ten days thereafter, report all the particulars thereof and an itemized statement of the proceeds, expenses and fees, and the disposition thereof to the commissioners of inland fisheries and game at Augusta. The failure of any person or officer to perform any act, duty, or obligation enjoined upon him by this chapter, shall be deemed a violation thereof.

Sect. 79. Any city, town or plantation in which there is a lake or a pond that has been stocked with fish by the state and screened partly by the state and partly by the town or by private subscription, may, at its annual election, elect an inland fish and game warden, with all the powers of other inland fish and game wardens, whose duty it shall be to care for and protect said screen."

Sect. 2. All acts and parts of acts, whether public, or, so-called, private and special, which are inconsistent with the provisions of this act, and all acts and parts of acts, whether

public or private and special, relating to inland fish and game and birds, and which are not incorporated in this act, and all rules and regulations of the commissioners of inland fisheries and game, are hereby repealed.

But this act shall not be construed as repealing any of the laws pertaining to the sea and shore fisheries or the protection of ducks of any variety and all other birds on the coast or on the tidal waters of Maine, or to the protection of deer on the islands of the sea off the coast of Maine, or chapter fifty-two of the public laws of nineteen hundred and nine, entitled "An Act authorizing the Governor to issue his proclamation to Prevent the use of Firearms in the Forests during a dangerously dry time," or chapter one hundred twenty-nine of the public laws of nineteen hundred and nine, entitled "An Act to prohibit the use of Firearms fitted with any device to deaden the sound of explosion," or sections three and four of chapter one hundred and nineteen of the revised statutes, or section thirty-four of chapter thirty-two of the revised statutes, or chapter eighty-four of the public laws of nineteen hundred and five or chapter twenty-three of the public laws of nineteen hundred and nine.
