STATE OF MAINE

---

IN THE YEAR OF OUR LORD ONE THOUSAND NINE  
HUNDRED AND THIRTEEN.

---

OFFICE OF STATE AUDITOR.

AUGUSTA, MAINE, April 5, 1913.

*To the Honorable Senate and House of Representatives in  
Legislature Assembled:*

Complying with Section 5, of Chapter 147, of the Public Laws of 1907, the Auditor begs to report that claims, accounts and demands against the State of Maine as set forth in detail in the following schedule have not been approved by him for the reasons set forth in the following clause of said Section 5: "The Auditor shall not approve nor issue his certification for the payment of any bill or account unless there is a specific appropriation or fund for the payment thereof or an expendi-

ture is authorized by law to be paid out of a contingent fund or moneys in the treasury not otherwise appropriated; and whenever any appropriation or fund is expended, all bills and accounts presented to said Auditor and drawn on said expended appropriation or fund, shall not be approved by him but shall be reported by him to the next session of the Legislature, and he shall not approve any bill or account against any appropriation unless said bill or account was incurred during the time for which said appropriation was made.”

The names of the parties and the amounts payable, as well as the authority of law for the expenditure, are shown under the titles of the appropriations to which they would have been chargeable, had there been no deficiency.

Of the deficiencies herein reported, resolves have already passed authorizing payment of the following: Van Buren and St. Leonard's Bridge, \$1,283.35, bills for which are on file in the Auditor's Office, although the resolve included this amount and additional claims; Maine Register, \$600.00, ordered by the last Legislature, although no provision was made for payment of the account; Cumberland County for expenses of law courts and for compensation of the clerk of law court, \$934.12.

The total deficiencies herein reported under Sect. 5 of the Public Laws of 1907 amount to \$99,450.24. Other deficiencies, amounting to \$16,844.61, have already passed in resolves. The grand total of deficiencies is therefore \$116,294.85.

(Signed) T. F. CALLAHAN,

*State Auditor.*
