## STATE OF MAINE.

Oxford, ss.

Bryant's Pond, Feb. 17, 1915.

I hereby certify that I am the identical soldier who served in the regular army of the United States in K Battery, 5th U. S. Artillery; that while in said service I contracted rheumatism and malarial poisoning, also had trouble with my eyes and received an injury to my back. At my discharge no ratable record was made of these disabilities, so up to this time I have been unable to secure a United States pension.

I make this application to the State Legislature that I may receive aid from the State by special act.

I further declare that physicians have stated that I am incapacitated to do manual labor to the extent of one-half what an able-bodied man should do.

I ask that I may be granted a state pension in proportion to my disabilities.

EVERETT A. RECORD.

Sworn and subscribed to before me, this 17th day of February, 1915.

A. MONT CHASE,

Justice of the Peace.
