*Be it enacted by the People of the State of Maine, as follows:*

Section seven of chapter two hundred and twenty-one of  
2 the public laws of nineteen hundred and thirteen is hereby  
3 amended by striking out the first sentence of said section,  
4 and inserting in place thereof the following sentence:  
5 'Whenever one or more United States senators are to be  
6 elected at the biennial state election held on the second Mon-  
7 day of September, the nominee or nominees for such of-  
8 fice or offices, of each political party, shall be chosen at  
9 the primary election held on the third Monday in June pre-

ceding,' so that said section as amended shall read as follows :

'Sect. 7. Whenever one or more United States senators are to be elected at the biennial state election held on the second Monday of September, the nominee or nominees for such office or offices, of each political party, shall be chosen at the primary election held on the third Monday in June preceding. Nominations therefor shall be made and filed as hereinbefore provided. But where one United States senator is to be so elected, the nomination papers and official ballot shall specify simply the office of United States senator. When, however, two United States senators are so to be elected, the nomination papers and ballots shall by apt words designate the respective terms for which they are to be nominated.'
