## STATEMENT OF FACTS

The Northern Maine Sanatorium was established in Presque Isle, Aroostook county, in 1919, and was opened for patients in October, 1920. A new building, fully equipped, was constructed providing quarters for about twenty patients. Since the opening the building has been full of patients and splendid work has been done. The amounts asked for in this resolve were suggested by the board of trustees as being necessary for carrying on the work in an efficient manner, and are the same amounts as recommended by the budget committee.
