### STATEMENT OF FACTS

Alice Guptill is the daughter of Dexter T. Guptill, a Civil War veteran. Her mother, who received a government pension and a state pension, died recently. Her father died in 1913. Miss Guptill is very ill and under the care of a physician. She has two sisters living with her on the old homestead. One sister has never been able to do anything to earn a livelihood; the other sister, who was employed as a stenographer, has been obliged to give up her position to take care of the other two. The home is of little value and these three sisters are without means of support.
