2 its passage, except that the board of selectmen may, by
3 vote of four-fifths of its members, pass emergency orders

8 keep on hand. Such blanks shall be issued by the clerk

9 with his signature and official seal thereto attached; they
10 shall be dated and addressed to the board of selectmen,
11 shall contain the name of the persons to whom issued, the
12 number of blanks so issued, and the name of the person
13 or persons whose removal is sought. A copy of the peti-
14 tion shall be entered in a record book to be kept in the of-
15 fice of the town clerk. The recall petition to be effective
16 must be returned and filed with the town clerk within forty-
17 five days after the filing of the affidavit. The petition be-
18 fore being returned and filed shall be signed by voters of
19 the town to the number of at least twenty percent of the
20 number of registered voters as determined at the time of
21 the last preceeding regular municipal election and to every
22 such signature shall be added the place of residence of the
23 signer, giving the street and number or other description
24 sufficient to identify the place. Such signatures need not
25 all be on one paper but the circulator of every such paper
26 shall make an affidavit that each signature appended to the
27 paper is the genuine signature of the person whose name it
28 purports to be. All such recall papers shall be filed on one

Examination and amendment of recall petitions: Within

7 notify in writing one or more of the persons designated on
8 the petition as filing the same; and the petition may be
9 amended at any time within the ten days after the giving of
10 said notice, by the filing of a supplementary petition upon
11 additional papers, issued, signed and filed as provided herein
12 for the original petition. The clerk shall, within ten days
13 after such amendment, make like examination of the
14 amended petition, and attach thereto his certificate of the
15 result. If then found to be insufficient, or if no amend-
16 ment was made, he shall file the petition in his office and
17 shall notify each of the persons designated thereon as filing
18 it of that fact. The final finding of the insufficiency of a
19 petition shall not prejudice the filing of a new petition for
20 the same purpose.

Calling of recall election: If the petition or amended peti-
2 tion shall be certified by the town clerk to be sufficient he
3 shall submit the same with his certificate to the board of
4 selectmen at its next meeting and shall notify the member
5 or members whose removal is sought of such action. The
6 board of selectmen shall thereupon, within ten days of the
7 receipt of the town clerk's certificate, order an election to

9 after; provided that if a regular municipal election is to
10 occur within ninety days after the receipt of said certificate,
11 the board of selectmen may in its discretion provide for the
12 holding of the removal election on the date of such other
