AN ACT to Appropriate Moneys for the Expenditures of State Government and for Other Purposes for the Fiscal Years ending June 30, 1934 and June 30, 1935.

---

Be it enacted by the People of the State of Maine, as follows:

**Appropriations for necessary expenditures of government.** In order to provide for the necessary expenditures of government for the next two fiscal years—from July 1, 1933 to June 30, 1934 and from July 1, 1934 to June 30, 1935—the following sums or as much thereof as shall severally be found necessary, as designated in the following tabulations, are hereby appropriated out of any moneys in the state treasury, and the controller is hereby authorized to draw his warrants on the state treasury for the same, in accordance with work programs and allotments duly approved by the governor and council;

And be it further provided that the controller be authorized to close his books on July 31, 1934 and July 31, 1935, and any bills presented after those dates may be paid from current appropriations, on recommendation of the controller if within the amounts of approved allotments.

At the end of the even year of the biennium all unexpended balances shall be lapsed, and after the provisions for the contingent fund have been provided for, the balance shall be deemed as general revenue of the state

And be it further provided that the appropriation for the support of paupers and other dependent persons be deemed a carrying account during the life of this act.
