AN ACT Relating to Fish and Game Culture.

---

Be it enacted by the People of the State of Maine, as follows:

**R. S. c. 38, § 9, ¶ 1, amended.** Paragraph 1 of section 9 of chapter 38 of the revised statutes, is hereby amended to read as follows:

The commissioner of inland fisheries and game may, after hearing, set apart, for a term not exceeding ten years, any inland waters for the use of the state or of the United States Commissioner of Fish and Fisheries, in the prosecution of the work of fish culture and scientific research relative to fishes. The order setting apart such waters shall be recorded in the registry of deeds in the county or registry district in which they are situated. In the waters so set apart, he and the United States Commissioner of Fish and Fisheries, and persons acting under their authority may, in their respective fish culture and scientific work, take fish at any time or in any manner, and erect and maintain any fixtures necessary for such purposes. No person shall take or kill any fish, or use any implement for fishing therein. He may grant permission to take wild animals and wild birds for park and exhibition purposes in this state, under such rules, regulations, and conditions as he shall establish, **said wild animals and wild birds to remain the property of the state of Maine, not to be sold or given away.**
